

Dual-Use Declaration

To whom it may concern:

We undersigned are the manufacturer of GAPTEC Green Technology products and declare that: GAPTEC refers to standard DC/DC converter products.

GAPTEC products are designed to be industrial, commercial or residential system components. GAPTEC products are clearly not deemed to be inherently military in character.

EUROPE:

Materials of the type of GAPTEC products are not included in the list of dual use items and technologies referred to in Council Regulation (EC) No 1334/2000 and its amendment Council Regulation (EC) No 1183/2007.

USA:

GAPTEC products are neither EAR99 classified, nor require an ECCN (Export Control Classification Nr.). (EAR99 classification indicates that a particular item is subject to the Export Administration Regulations (EAR), but isn't listed with a specific Export Control Classification Number (ECCN) on the Commerce Control List (CCL).

Note:

GAPTEC products isolated neither fall under ITAR (International Traffic in Arms Regulations) restrictions, nor under the Wassenaar Arrangement on export controls for conventional arms and dual-use goods and technologies. It is not the duty of GAPTEC to extend its control over additional treatment or final use of GAPTEC products. GAPTEC customers must ensure themselves that their commerce complies with all applicable regulations.
